Our ref: EB/JLT

To All My Patients, Friends and Colleagues

It is with a mixture of excitement and sadness that I have to announce that I am retiring from the Practice on the 8<sup>th</sup> of January 2021.

I have been at Teignmouth Medical Practice, now Channel View Medical Group, for nearly 30 years and it has been wonderful to work in Teignmouth with such fantastic patients in such a beautiful town. It has been a real privilege to get to know so many patients and their families so well, in some cases three generations of the same family, in the time I have worked here.

There have been lots of changes since I started, not least the fact that we didn't even have computers at the beginning and wrote all appointments by hand in a book and used a lot of Tipex! I think that does nothing but show how old I am.

The biggest thank you I owe however is to the absolutely incredible staff and colleagues I've worked with over all the years, I couldn't have asked for a nicer group of people.

I think Channel View Medical Group has a fantastic future and I wish everyone here, staff and patients, well.

So thank you once again to everyone as I retire to spend more time with my new granddaughter, my husband, dog and campervan, in whichever order you like!

Best wishes

Dr Liz Brown
